In Preparation for “PLAY-A-PIECE DAY”

1. Spread the word! Inform your parents and students about this exciting event and make as many copies as you need of this brochure.
2. Assist your students in selecting pieces that they feel comfortable playing. This can include anything from method books, etudes, performance pieces, etc. An original part must be provided for the adjudicator; an accompanist is not required but recommended for students whose pieces have an accompaniment part.
3. Please send in the official registration form postmarked by February 10, 2012. Fees will be \$15 for each solo, and \$15 per student participating in an ensemble. There will be a \$5 late fee for applications postmarked after the 10th. Your check should be made out to FLASTA and sent to Lakeisha Frith c/o GMYS, 5275 Sunset Dr. Miami, FL 33143. Your child’s performance time and any additional information will be sent via email on Feb. 14th.

The South Florida Chapter of the American String Teachers Association is proud to offer the following performance based opportunity to Elementary Aged students currently in grades 2-5. “PLAY-A-PIECE DAY” will be a fun day of performing in a non-competitive, non-graded environment. This event is open to all students in public and private schools, as well as private studio and home schooled students. Qualified adult musicians and educators will adjudicate the students. Through “PLAY-A-PIECE DAY”, we hope to encourage these students to enjoy making music as well as to improve their performance skills. This is a great way to celebrate their hard work throughout the school year.

AMERICAN STRING TEACHERS ASSOCIATION

FLORIDA CHAPTER
PRESENTS
